

# Epione Beverly Hills Celebrates Dr. Simon Ourian's Coolaser: The Gold Standard in Skin Rejuvenation in Beverly Hills

*Epione Beverly Hills celebrates Dr. Simon Ourian's Coolaser, setting the gold standard in skin rejuvenation with unmatched precision and minimal downtime.*

BEVERLY HILLS, CALIFORNIA, UNITED STATES, July 22, 2024 /EINPresswire.com/ -- [Epione](#) Beverly Hills celebrates Dr. Simon Ourian's groundbreaking invention, the [Coolaser](#). This revolutionary technology has continually set the gold standard in skin rejuvenation in Beverly Hills, offering patients unparalleled results with minimal downtime and exceptional safety.

Since its debut, the Coolaser has transformed the field of aesthetic medicine. Developed by the world-renowned cosmetic dermatology expert Dr. Simon Ourian, the Coolaser combines cutting-edge laser technology with advanced cooling systems to deliver precise, controlled treatments that rejuvenate and revitalize the skin.

“

Dr. Ourian is my favourite doctor for anything laser. [His treatments] are super cutting-edge, and I love [them] as preventative measures to deal with aging before it happens.”

## Unmatched Precision and Safety

The Coolaser's innovative design enables precise targeting of skin imperfections, such as fine lines, wrinkles, scars, and pigmentation issues, while protecting the surrounding tissue. This breakthrough has established a new benchmark in aesthetic treatments, providing patients with remarkable results in a safer, more comfortable experience.

“The development of the Coolaser was driven by my

passion to offer patients the best possible outcomes with the least amount of discomfort and recovery time,” said Dr. Simon Ourian. “Seeing the positive impact it has had on so many lives is incredibly fulfilling. I'm proud of how the Coolaser has advanced the field of aesthetic medicine

and set the gold standard in Beverly Hills.”

### Transformative Results with Minimal Downtime

One of the most significant advantages of the Coolaser is its ability to deliver transformative results with minimal downtime. Patients can often return to their daily activities shortly after treatment, making it a convenient option for those with busy lifestyles. This has broadened the accessibility of high-quality aesthetic treatments to a wider audience, further establishing Epione Beverly Hills as the leader in the industry.

### Popularity Among World-Renowned Celebrities

The Coolaser’s impressive results and minimal recovery time have made it a favorite among world-renowned celebrities. High-profile individuals such as Kim Kardashian, Khloé Kardashian, and Kylie Jenner have publicly praised Dr. Simon Ourian and the Coolaser treatment for helping them achieve flawless, youthful skin. These endorsements underscore the trust and satisfaction that celebrities place in Dr. Ourian’s expertise and innovative techniques.

### A Legacy of Innovation

Dr. Simon Ourian’s commitment to innovation and excellence continues to drive Epione Beverly Hills forward. The Coolaser has been refined and enhanced, ensuring it remains at the forefront of aesthetic technology. Epione’s dedication to providing state-of-the-art treatments and exceptional patient care solidifies its position as a premier destination for those seeking the best in cosmetic dermatology.

### Looking Ahead

As Epione Beverly Hills marks this significant milestone, Dr. Simon Ourian and his team remain dedicated to pushing the boundaries of what is possible in aesthetic medicine. With a focus on
