“We are thrilled to welcome Chad as Vice-Chair of our Board of Directors,” said Eddie Arnold, Chairman of the Board. “His proven leadership and deep industry knowledge will be instrumental in guiding SHP as we work to address the critical issue of child bedlessness.”

Since SHP's first bed build event in 2012, Lowe's has supported SHP's mission to end child bedlessness. Lowe's financial support ranges from local chapter sponsorships to national grants, large-scale bed building events and

more. Every SHP bed built is made possible in part due to Lowe's.

Sanders expressed his enthusiasm for serving on the SHP Board, stating, “I am honored to have the opportunity to contribute to such an impactful organization. Sleep in Heavenly Peace is

making a real difference in the lives of children, and I am excited to work alongside the dedicated team to further our mission.”

Sanders joined SHP’s Board of Directors on April 1, 2023, and was appointed as Vice-Chair on June 1, 2024.

SHP plans to build more than 70,000 beds in 2024 for children sleeping on the floor in communities across the country and to develop 50-60 new chapters to support this goal and serve more families and children in need.
