Definition:

The rental car insurance market refers to the industry segment where insurance products are offered to customers renting vehicles from car rental companies. This market provides options for renters to protect themselves financially in case of accidents, damages, theft, or other incidents involving the rented vehicle.

Market Drivers:

- The rental car insurance industry experiences significant growth due to the rise in travel frequency for both leisure and business purposes

Market Opportunity:

- expanding travel and tourism activities globally increase the potential customer base for rental car insurance

Market Restraints:

- regulatory complexities and varying insurance requirements across different regions and countries
