Since her early youth Kay was fiercely assertive and ambitious. Her love for storytelling fueled her passion that took her straight to the glitz and glam of Hollywood. There she got her start as a writer and editor in the entertainment industry where she spent an incredible three decades working with Spielberg and Saban entertainment producing, writing, and directing films.

Kay vividly brings her characters to life and is well known for her clever storylines, thought provoking themes, thrilling narratives, and blending elements of both horror, mystery, and drama.

Kay's books often explore complex themes such as love, family dynamics, and the strength of the human spirit that resonates deeply with readers making her truly a beloved author.

With her optimistic radiant form of self-expression, Kay encourages us to "Do everything with the intent of love." She says when our actions reflect kindness and love and becomes the driving motivation behind everything we do, we will live abundantly, optimistically, and grow in humility.
