

'StageWing' Soars to New Heights With Acceptance Into Techstars Atlanta Cox Cohort

As the first-ever online DJ rental equipment community, StageWing stands as one of 10 standout startups selected for the prestigious Techstars program.

ATLANTA, GA, USA, July 24, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- StageWing, the trailblazing platform that's redefining the DJ and audio/visual (A/V) scene, is thrilled to announce its acceptance into the illustrious Techstars-Atlanta Cox cohort. As the first-ever online DJ rental equipment community, StageWing™ stands as one of 10 standout startups selected for this prestigious program, offering unparalleled mentorship, funding, and global networking opportunities.

StageWing Founder Sed Joseph and StageWing CTO Shawn Johnson

"We are over the moon to join the Techstars family," said StageWing founder Sed Joseph. "The wealth of knowledge and connections that Techstars brings to the table will be a game-changer for StageWing. We are beyond excited to have the backing of the world's most active pre-seed investor."

Techstars – Igniting Innovation

Techstars is a global powerhouse, propelling early-stage startups to new heights with seed funding, mentorship, and a vast network of investors and entrepreneurs. With a portfolio that spans healthtech, fintech, web3, cleantech, and beyond, Techstars has nurtured over 4,000 startups to date.

Their renowned accelerator program equips startups with essential tools for success, from capital and mentorship to customer acquisition strategies, talent recruitment, and infrastructure support. Techstars is committed to empowering entrepreneurs to transform their visions into reality.

StageWing – Revolutionizing the DJ Industry

StageWing is shaking up the DJ world with its innovative peer-to-peer rental platform. This exclusive community enables professional DJs to rent top-tier equipment from one another, providing a seamless, time-saving solution. DJs can now reserve their favorite brands in any city, while equipment owners earn extra income – all without the hassle of traditional rental shops.

“Our mission goes beyond equipment rentals; it’s about creating a collaborative community,” said Joseph. “We host local meetups in Atlanta and webinars to support and uplift the DJ profession, sharing invaluable tips, tricks, and exclusive deals from our partners. The Techstars partnership is a phenomenal opportunity for us to learn from the best, connect with potential investors, and gain insights from successful entrepreneurs worldwide. We’re confident that this program will catapult StageWing to new heights.”

About StageWing

StageWing is the first-of-its-kind online DJ and A/V rental equipment platform, fostering a vibrant community where professional DJs and others in the event industry can rent equipment from each other. Offering transparent, affordable pricing and a curated network of reliable providers, StageWing ensures top-notch service with delivery and setup.
