

BDRSuite to Showcase its Backup Solutions at CompTIA ChannelCon, Atlanta in Booth 202 from July 30 - August 1, 2024

Meet BDRSuite Team at Booth 202, CompTIA ChannelCon, Atlanta (July 30 - Aug 1) for exclusive partnerships and cost-effective backup solutions.

ATLANTA, GEORGIA, UNITED STATES, July 23, 2024 /EINPresswire.com/ -- [BDRSuite](#), a leading player in the Backup and Disaster Recovery market, is excited to announce its participation in the upcoming tech event CompTIA ChannelCon 2024, taking place at the Hyatt Regency Atlanta from July 30 to August 1. This Tech event is known for bringing together IT channels and MSPs from around the world, providing an invaluable platform for networking, learning, and collaboration.

Attendees are invited to visit BDRSuite at Booth 202 to meet our experts, Nagarajan Chandrasekaran, VP of Product Success, and Ravi Shankar, Director of DevOps & QA. BDRSuite Experts will showcase flagship products, BDRSuite & [BDRCloud](#), and explain about tailor-made channel program designed to offer premier backup solutions within a limited budget that help businesses to safeguard their critical data efficiently and affordably.

About CompTIA ChannelCon

CompTIA ChannelCon is the premier tech event for IT channels. It serves as the world's leading platform for networking and partnering with technology professionals. Attendees have the opportunity to connect with industry experts, foster meaningful relationships, and gain valuable strategies, new insights, and best practices to drive productivity and grow revenue in today's competitive marketplace.

About BDRSuite & BDRCloud by Vembu

BDRSuite and BDRCloud are the cost-effective Backup solutions designed to protect business-

The banner features the CompTIA ChannelCon logo on the left and the BDRSuite logo on the right. The main text reads "Meet BDRSuite Team at CompTIA ChannelCon". Below this, it specifies the dates "30 July - 1 Aug, 2024", the location "The Hyatt Regency, Atlanta", and the booth number "Booth No : 202". At the bottom, there is a row of icons representing various backup solutions: Backup for VMware, Hyper-V, KVM, Windows, Linux, Mac, Microsoft 365, Google Workspace, AWS, Azure, Applications, and NAS.

We are excited to make our presence at CompTIA ChannelCon in Atlanta this year. This will serve as an opportunity for the attendees to explore our backup solutions and tailored channel partner program”

critical data and facilitate easy recovery at the event of data loss or other unforeseen circumstances.

BDRSuite & BDRCloud offers a robust set of features, including centralized management, ransomware defense, multi-tenancy, and branding. It supports backup for various workloads, protecting data across virtual, physical, SaaS, and cloud environments. BDRSuite provides flexibility in data storage, by storing backed-up data in BDRCloud, public clouds like AWS S3, Azure, Google Cloud, Wasabi, or on-premise/remote storage like NAS and SAN. Centrally manage the entire backup infrastructure efficiently using BDRSuite’s self-hosted centralized management web-based console and BDRCloud cloud-hosted centralized management console.
