

The #1 Song On The World's Leading Platform For Indie Artists Belongs To Brisbane, Australia's Aria Cook

BRISBANE, AUSTRALIA, July 23, 2024 / EINPresswire.com/ -- aBreak Music, music's most influential, global indie artist discovery platform announces that Aria Cook's 'Vampire' is the new #1 on the aBreak58. Check it out at aBreakmusic.com.

Aria Cook is an exciting, emerging vocal, keyboard, and songwriting talent, best known for her work in the Brisbane based band, Vegas Rayz, as well as her developing solo catalogue. Currently, Aria is in her second year of the Bachelor of Music program at the Queensland Conservatorium with plans to complete a Masters in Music Therapy on her way to becoming a registered Music Therapist. Her #1 song, 'Vampire,' is a beautifully sombre track, born from the collaborative efforts of Aria and good friend, Leon Stark. It paints a vivid picture of a toxic relationship - yet despite its darkness, it ultimately offers a glimmer of hope in its denouement; that we all have the power to break free from emotional suffering.

Already having extensive live gig experience, playing various major festivals and elite venues, the future is bright as Aria is fastly becoming a stand out in the vibrant Brisbane music scene.

"Having my song chart at #1 on the aBreak58 has me feeling incredibly proud and excited - like my hard work has been validated," says Aria Cook. "It's wonderful knowing that 'Vampire' resonates with people from all walks of life...I'm going to use this to inspire my future endeavors."

Every two weeks, aBreak Music releases their aBreak58 playlist featuring the Top 58 songs uploaded from indie artists representing multiple genres from around the world. These songs are then rotated on what has become the leading radio station for indie artists, the aBreak58.

"Aria Cook exemplifies the incredible talent coming from Australia," said Bruce Tyler, Founder/CEO of aBreak Music. Jay Stevens, myself, and our entire music team have marveled at how 'Vampire' has grown into one of the most popular songs we've played - which is a true testament to Aria's creative skills of combining great melody with her amazing, instantly recognizable vocals. What a talent!"
