

Duffy Kruspodin Earns Prestigious Great Place to Work Certification™ for Third Consecutive Year

DK Employees Tout the Firm as a Great Place to Work

WOODLAND HILLS, CALIFORNIA, USA, July 24, 2024 /EINPresswire.com/ -- [Duffy Kruspodin \(DK\)](#), an award-winning full-service accounting firm, is proud to be Certified™ by Great Place To Work® for the third year in a row. The firm has won this honor every year it has participated in the survey. The prestigious award is based entirely on what current employees say about their experience working at DK. This year, 91% of employees said it's a great place To Work – 34 points higher than the average U.S.-based company.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that DK stands out as one of the top companies to work for, providing a great workplace environment for its employees."

Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company’s profits and have a fair chance at promotion.

“We are constantly striving to improve our company culture and create an environment where our employees feel valued, empowered, and excited to come to work every day,” said DK’s Director of People Operations, Alli Smith, PHR. “This recognition from Great Place to Work® is a significant achievement, and we look forward to building upon this success in the years to come.”
