

airKitchen Achieves Remarkable Growth in Reservation Numbers Over the Past Three Years

NAGOYA, AICHI, JAPAN, August 8, 2024 /EINPresswire.com/ -- Despite the challenges posed by the COVID-19 pandemic, [airKitchen](#) has achieved significant growth, recording a fourfold increase in reservations over the past three years. We are pleased to announce the trends in reservation numbers from March 2022 to March 2024.

□Recovery and Rapid Growth Post-Pandemic

In March 2022, reservations were severely impacted by the pandemic. However, by March 2023, with online cooking classes and the recovery of travel demand post-pandemic, the number of reservations saw a dramatic improvement, increasing fourfold compared to the previous year.

Furthermore, in March 2024, the number of reservations continued to grow steadily, showcasing a robust and ongoing recovery.

□Factors Contributing to Growth

Several factors have contributed to this rapid growth:

1. Increase in New Hosts and Classes

Cooking at host's kitchen

Having a meal with hosts
