"I've been a part of the HFO team for more than a decade in a number of roles," said Jack. "Becoming a partner quickly became my goal. I am thrilled to take on this new role and couldn't be more excited to help take our efforts to grow HFO's legacy to the next level."

"The HFO company mantra of teamwork and collaboration both internally and with our clients helped show me that being a partner/advisor to our clients was the job, not trying to sell them something."
