Jobma winning the Top Performer Award in the video interviewing category is a testament to the company's dedication to user satisfaction and providing unparalleled video interviewing experience to both employers and candidates.

To win the Summer 2024 Top Performer award, each winner had to receive enough high-rated user reviews to place the winning product in the top 10% of favorably reviewed products on SourceForge, demonstrating the utmost quality that Jobma delivers to its customers.

Krishna Kant, Jobma's Managing Partner, expressed excitement about being named a Summer 2024 Top Performer by SourceForge in the video interviewing category. "This recognition underscores our commitment to constant innovation in our video interviewing platform and providing solutions with real impact," Kant said. "We aim to empower both businesses and candidates, ultimately shaping a smoother and more effective hiring process."

Logan Abbott, President at SourceForge, said "It's my pleasure to award the Summer 2024 Top Performers on SourceForge. Jobma has been named a Top Performer this Summer in the Video Interviewing category, and their numerous outstanding user reviews are proof of the excellent solution they provide to their customers. Congratulations and keep up the great work!"

Jobma's video interviewing software helps organizations improve the quality of hires, reduce time-to-hire, and drive growth. The product's recognition as the Top Performer in the video interviewing software category by SourceForge makes it an even more valuable and trusted tool for large organizations and enterprises.
