"We found one of the best spots in all of Spotsylvania County to open an HCK Hot Chicken," said Ramiz Baig, Owner of the Fredericksburg HCK Hot Chicken. "It is located in the Cosner's Corner shopping center, which features several thriving businesses and draws a lot of traffic to the area. Customers can take care of their errands and reward themselves with a hot chicken sandwich made to perfection. We sit high up on a hill that overlooks one of the busiest roads in town, so the location will be difficult to miss!"

Prior to HCK Hot Chicken, Baig earned a degree in Aeronautical Science and began his career working on developing the drone industry. He is still part of that industry but is also carving out time for the new restaurant that he said will be a family venture. He and his family have lived in Fredericksburg for the past 25 years.

"Throughout high school and college, I worked at restaurants and developed an appreciation for the industry," added Baig. "I am excited to get back into the food space, but in a different capacity and with a brand that offers extraordinary flavors with a unique hot chicken recipe. They truly stand out from others, and I am excited to share their amazing food with our community."

The Fredericksburg HCK Hot Chicken marks the second for the city and the fourth for Virginia. The restaurant is approximately 1,500 sq. ft. and will feature dine-in, pickup, and delivery

through third-party services such as Grubhub, Uber Eats, and DoorDash. It also boasts plenty of parking, including spaces just outside the restaurant.

The restaurant will be open Sunday through Thursday from 11 a.m.-9 p.m. and Friday through Saturday from 11 a.m.- 10 p.m.

HCK Hot Chicken was established in 2020 by co-founders Mike Sarago, Anthony Sarago, and Chef Freddy Gilmore. The restaurant specializes in hot chicken tenders and sandwiches that are prepared with made-to-order spices. HCK Hot Chicken lives up to its name with its unique and premium hot sauces that each infuse a different type of pepper.
