Church of Scientology Mission of Chico Executive Director Speaking

Intended to highlight how diverse groups share common ground in providing help to people in the community, Kareem Invited the [Rhema Word of Faith](#) Empowerment Ministries Pastor Vince Haynie to share his perspective.

“

A Volunteer Minister does not shut his eyes to the pain, evil and injustice of existence. Rather he is trained to handle these things and help others achieve relief from them and new personal strength”
L Ron Hubbard

Highlighting the theme of the event “Something Can Be Done About It” Pastor Haynie spoke of improving the community and galvanizing support to improve a neglected area of town with streetlights and how there is always something someone can do – even if it is as simple as smiling at someone and how meaningful that can be to someone at a time when they could use it.

The Scientology Volunteer Minister’s Program is worldwide in scope and reaches out to many communities and offers a wide array of practical solutions from “Answers to Drugs” and “Communication” to “Formulas for Living” and “Basics

of Organizing.” All these tools were made available at their Iconic Yellow tents with their Motto “Something Can Be Done About It”.

The Founder of Scientology L Ron Hubbard wrote; "A volunteer Minister does not shut his eyes to the pain, evil and injustice of existence. Rather he is trained to handle these things and help others achieve relief from them and new personal strength as well."

So, it is in this spirit of help that these groups came together to showcase how diverse groups can come together and add value to the community around us, added Kareem.

Also joining the event was the Ballet Folklorico De Chico Dance group directed by Francis Miranda who joined in with Pastor Haynie and the Volunteer Ministers for the Ribbon Cutting.
