/EINPresswire.com/ -- Sea Pointe Design & Remodel

[<https://www.SeaPointe.com>] is proud to announce the launch of a \$500 scholarship aimed at supporting design and construction students for the upcoming 2024 fall semester. This initiative underscores Sea Pointe's commitment to fostering the next generation of talent in the design-build industry.

In alignment with the principles of design-build methodology, the scholarship requires applicants to have either completed or be currently enrolled in courses such as Design Thinking or

Construction Principles for the fall semester. This prerequisite ensures that students who apply are already on a path towards understanding and embracing the integrated approach that Sea Pointe advocates for excellence in construction delivery.

“

Sea Pointe is continually looking towards the future and wants to encourage new designers to consider this construction methodology to enable excellence in construction delivery,”

*Lauren Mills, President*

“Sea Pointe is continually looking towards the future and wants to encourage new designers to consider this construction methodology to enable excellence in construction delivery,” said Lauren Mills, President at Sea Pointe Design & Remodel. “We believe in the power of the design-build approach and are excited to support students

who are passionate about this field.”

Sea Pointe Design & Remodel, located at 576 Wald, Irvine, 92692, is not only dedicated to providing top-tier remodeling services but also to nurturing the growth of future industry professionals.
