

Solutions II Promotes Jeremy Carter to Vice President of Services

Driving Innovation and Solving Complex IT Challenges

LITTLETON, CO, UNITED STATES, July 25, 2024 /EINPresswire.com/ -- [Solutions II](#), an award-winning solution provider specializing in Security, IT Managed Services, Hybrid Cloud, Data Management Infrastructure, and Hybrid Maintenance solutions, is pleased to announce the promotion of Jeremy Carter to Vice President of Services. Carter succeeds Colin Day, who retired after years of dedicated service.

Jeremy Carter brings over 25 years of IT solutions experience across various sectors. Before joining Solutions II, Carter led a team of Solution Engineers

at a leading Casino Gaming manufacturer for six years, providing global solutions to clients in diverse environments from Washington to New Jersey and China to South Africa. Since joining Solutions II in November 2015, Carter has excelled, most recently as Director of Solutions Architecture.

In his new role, Carter will leverage his extensive expertise to oversee the enhancement and delivery of the company's comprehensive services, ensuring outstanding value and client satisfaction. His proven track record in solving unique and difficult IT problems will be instrumental in driving innovation and client success.

"We are thrilled to see Jeremy advance to our Vice President of Services," said Solutions II President and CEO, Todd Bowling. "Jeremy's experience and skill seamlessly align with our mission to provide innovative IT solutions that empower our clients to achieve their business goals. His understanding of key industries and his ability to solve complex IT challenges will be crucial as we continue to evolve within today's IT landscape. We are confident that Jeremy will play a pivotal role in our continued growth and success."

Our success is tied to the success of our clients, and we are dedicated to guaranteeing their satisfaction by solving their most challenging IT problems.”
