embarked on an unforeseen trip to Dubai, an expedition that pushed her beyond her wildest expectations.

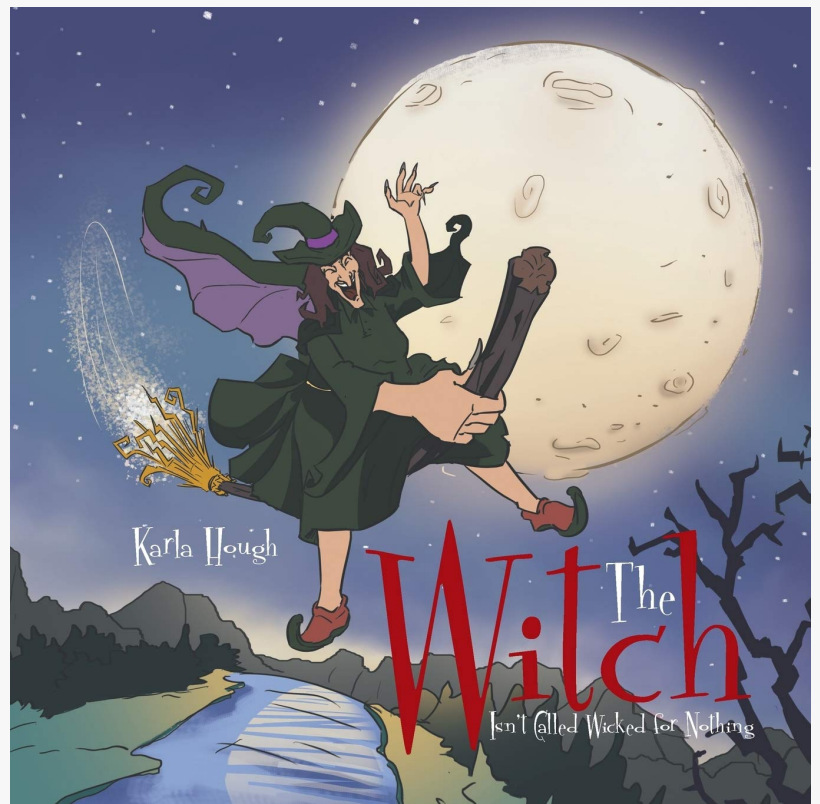

Having recently tied the knot, 27-year-old English woman Jan was thrown into a world very different from her childhood home of lush greenery in May 1970. Unexpectedly, her husband's work had sent them to Dubai, a desert kingdom that few people knew about at the time. Leaving behind the familiar setting of England, she nervously faced this upheaval, not knowing if she was ready for such a significant shift. Jan Constable's journey is an inspiration of bravery and flexibility, from overcoming the intense heat of the desert to acclimating to new traditions and customs. As she reflects on her ordeal in "The Adventures of a Girl Wearing Pearls," readers are treated to moments of humor, resilience, and fundamental personal growth.

Embarking on a heartwarming adventure of unity and camaraderie in the face of trials, writer Katie Moak and illustrator Stephen Adams team up to deliver their delightful children's book, "Napoleon and the Hurricane." In this endearing tale, a group of animals, led by the counsel of an old Siamese cat, survive a cyclone together.

At the heart of this story is Napoleon the poodle, who becomes the host of a group of animals seeking shelter from an impending hurricane. While Napoleon's owner attends to the human guests, the clever poodle assumes the role of organizing his animal companions. Through the guidance of "The Old One," the creatures discover the importance of sticking
