"MSI's journey over the last two years has been unprecedented. We are coming off our best year ever with 42% growth," shared John Harms, MSI's Founder and Board Chair. "The company and market opportunity have never been stronger. We feel Connie's expertise, leadership, passion, and impressive track record will enable MSI to continue to accelerate growth and serve our customers with the industry's best beauty and wellness software and support."

Certusi has over 30 years of experience in software and has been instrumental in leading and growing a broad range of SaaS businesses throughout her career, including Sage and Xplor. She was celebrated as one of the "Most Influential Women in Technology," an honoree in the Women in Technology Woman of the Year program and recognized as a thought leader in the SMB industry by Allbusiness.com and BizJournals.com.

"I am very excited to be joining MSI as CEO to accelerate the company's positive momentum and growth and continue its client-centric commitment," stated Certusi. "My passion is to help businesses succeed by providing them with software solutions that make their lives easier, and I look forward to working with the entire MSI team to make a real difference in the beauty and wellness industry."
