

# From Table to Garden: Vego Garden Introduces Advanced Kitchen Composter

*Innovative device helps users transform kitchen scraps into rich garden nutrients, enhancing eco-friendly gardening practices.*

TOMBALL, USA, July 29, 2024

/EINPresswire.com/ -- Vego Garden, a leader in eco-friendly gardening solutions, is proud to announce the launch of its new product, the [Vego Kitchen Composter](#). This cutting-edge device is designed to make sustainable living easy and accessible, turning everyday kitchen scraps into valuable nutrients for your garden.

Vego's Kitchen Composter

The composter is equipped with a host of innovative features that streamline the composting process. With a compact 4-liter capacity, it fits comfortably on any kitchen countertop and operates at whisper-quiet levels.

“

Our new kitchen composter helps reduce household waste and transforms it into a resource that nourishes your garden. It's a practical tool for anyone looking to enhance their green lifestyle.”

*Robert Xiong, founder and CEO*

Its intelligent "Vego Mode" combines low-temperature processing with a smart weighing system, allowing users to add waste during operation without the need to restart, ensuring a continuous and efficient composting process.

"Vego Garden is committed to providing solutions that support sustainable living," said Robert Xiong, founder and CEO of Vego Garden. "Our new [kitchen composter](#) helps reduce household waste and transforms it into a resource that nourishes your garden. It's a practical tool for anyone looking to enhance their green lifestyle."

The composter includes a free starter package featuring a Carbon Filter Refill Kit and VegoTabs, which are specially formulated to accelerate the breakdown process and enhance the compost's

quality. The resulting "Vego Meal" is a nutrient-rich amendment that improves soil health and supports plant growth.

The Vego Kitchen Composter is available now on the Vego Garden website and through select retailers. For more information about the product and its benefits, visit [www.vegogarden.com](http://www.vegogarden.com).

#### About Vego Garden

Vego Garden is a company that provides innovative gardening solutions that prioritize sustainability, quality, and community. Focusing on redefining raised garden beds using eco-friendly materials, Vego Garden continues to lead the market with products designed to enhance and simplify the gardening experience.
