

# Story-Rich, Number Puzzler ‘Spirit of the God Kings - Final Cut’ Newly Released On Itch.io And Gamejolt

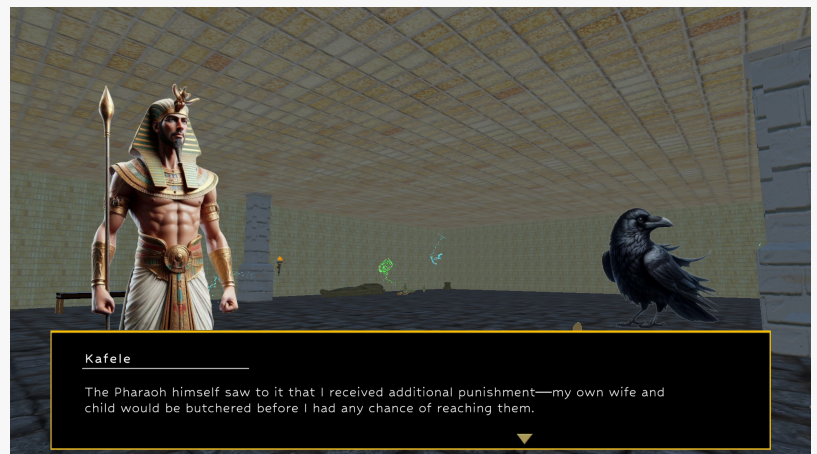

*‘Spirit of the God Kings - Final Cut’ Game Out Now*

MANCHESTER, UNITED KINGDOM, July 26, 2024 /EINPresswire.com/ -- Small developer TheoTGames, who has created a variety of casual mobile and PC games, has released a new title called ‘Spirit of the God Kings - Final Cut’, a blend of adventure, puzzler and tabletop card game, available on itch.io and Gamejolt.

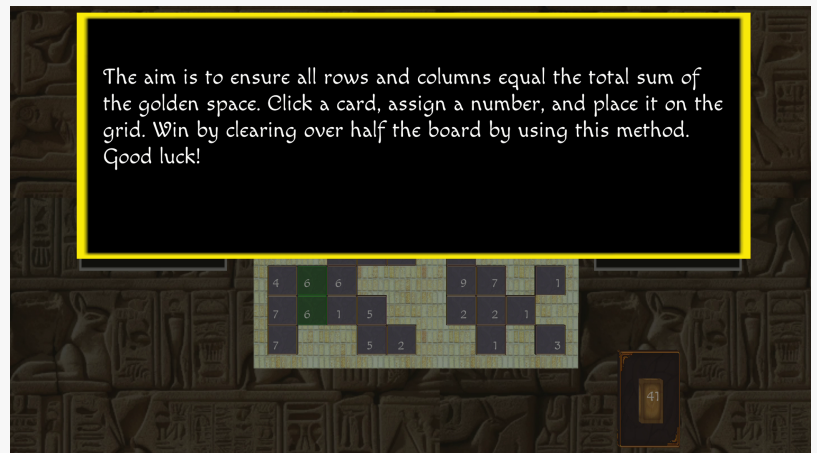

Play as Kafele, a warrior turned spirit who seeks acknowledgement of the loss of his family in order to move onto the afterlife, with the help of a Spirit Guide that takes the form of a crow. Oh and there’s Kafele’s cat who is along for the ride.

It's an emotional tale that pulls at the heartstrings of players as characters deal with heavy themes such as loss, despair, and acceptance. It is inspired by movies such as *The Crow* and *Gladiator*.

The main gameplay has gamers activating nodes by exploring the tomb of an ancient pharaoh. Some nodes trigger puzzles whilst others progress the emotional tale of a family torn apart by a tyrannical pharaoh. Players win the stage by using numbered cards to override numbers on grid squares to accumulate a row and column total equal to a target score. The puzzles are casual in nature as to appeal to a variety of players.
