

# The Best ONEVAN Power Tools to Use on Cars

*ONEVAN offers high-quality cordless tools like impact wrenches, ratchet wrenches, and pressure washers, designed for efficient and precise car maintenance.*

NEW YORK, UNITED STATES, July 29, 2024 /EINPresswire.com/ -- [ONEVAN Tools](#), a renowned name in the industry, is dedicated to producing high-quality cordless power tools. These tools are designed to deliver durability, precision, and value for money. With a diverse range that includes tools for automotive, gardening, camping, home improvement, and woodworking, ONEVAN continues to set benchmarks in performance and innovation. The following sections introduce some of the most essential ONEVAN cordless power tools for car maintenance and repair, each crafted with meticulous attention to detail and user convenience.

## Product 1:

### ONEVAN 1/2" 1200N·m [Cordless Impact Wrench](#)

The ONEVAN 1/2" 1200N·m Cordless Impact Wrench stands out with its monstrous 1200N·m nut-busting torque, making it ideal for heavy-duty applications. This tool features stepless speed control, allowing precise adjustments from maximum power to hand-tight settings. Constructed with a premium tungsten steel shaft, it offers exceptional hardness and wear resistance. The cordless design provides unrestrained mobility, perfect for construction, automotive repair, and woodworking. A brushless motor ensures cooler operation, longer lifespan, and zero sparks. Additionally, a bright LED work light illuminates dark areas, making this compact and lightweight tool user-friendly and energy-efficient.

## Specifications:

Maximum Output Power: 1200W

Fastening Capacity: Standard Bolts M10-M20, High-Strength Bolts M10-M16

Square Drive Screws: 12.7mm (1/2")

No-load Speed: 0-6700 rpm

Impact Frequency: 0-7200 ipm

Maximum Torque: 1200N·m

Gears: 4 forward, 4 reverse (including reverse auto-stop function)

Product 2:

ONEVAN 1/2" 1000N·m [Cordless Ratchet Wrench](#)

The ONEVAN 1/2" 1000N·m Cordless Ratchet Wrench is tailored for various tools such as car repair and automotive maintenance. Featuring a powerful brushless motor, it is high temperature resistant and offers safer operation. Its one-handed operation makes it convenient and easy to use, while the self-contained LED lighting and large vents enhance usability by dissipating heat. This tool is perfect for wedding shelf construction, stage construction, bicycle repair, and car repair, with a quick clip chuck design for easy sleeve replacement.

Specifications:

Power: 2400w

Rotational speed: 0-4800 rpm

Impact frequency: 0-5300 ipm

Max tightening torque: 1000N·m

Square drive bar: 1/2"

Gearing: 2 speeds

Built-in Light: Yes

Sound pressure level: 74 dB(A)

Product 3:

ONEVAN 10000PSI Cordless Car Grease Gun

The ONEVAN 10000PSI Cordless Car Grease Gun features a high-power brushless motor that enhances oil extracting and injecting efficiency. Its anti-slip handle design, sweatproof and waterproof, ensures a secure grip during use. Equipped with a work lamp, this tool is suitable for dark or complex environments. The high-pressure grease delivery hose works at 10000PSI/689bar, making it highly efficient. A ventilation hole provides quick heat dissipation, extending the tool's service life. The plastic storage box makes it easy to carry and store.

Specifications:

Maximum output power: 960w

Motor: Brushless motor

Max. pressure: 69MPa (10000PSI)

Lubricant capacity: Hose/Bulk 410/455 g, Hose/Bulk 450/570 g

Hose length: 50cm

Vibration level: 2.5m/s<sup>2</sup> or less

Sound pressure level: 76 dB(A)

Product 4:

ONEVAN 3500W 200Bar Cordless Pressure Washer

The ONEVAN 3500W 200Bar Cordless Pressure Washer offers unparalleled convenience with its wireless design, eliminating the need for plugging in during use. Powered by a brushless motor,

it delivers strong performance and improved efficiency. With two water supply methods (tap water and self-priming), it reaches a peak water pressure of 200Bar. The water output of 3.5L/min speeds up the cleaning process, while the stainless steel fine screen ensures high-efficiency filtration. This multifunctional washing machine is perfect for cleaning green plants, removing stains, and watering gardens.

Specifications:

Voltage: 18V

Power: 3500w

Gear: 3 Gears

Water Flow: 380L/H (6.3L/min)

Max. water pressure: 200Bar/2900PSI

Length Of Water Pipe: 5 Meter

Max. range: 12M

Motor: Brushless motor

Outlet: 6 IN 1

Product 5:

ONEVAN 7000RPM Cordless Mini Car Polishing Machine

The ONEVAN 7000RPM Cordless Mini Car Polishing Machine features a dual head design for versatile car waxing and polishing, enhancing efficiency. It is designed to be compatible with Makita 18v batteries, ensuring seamless integration with existing tools. This high-efficiency dual action polisher delivers a professional finish with ease. The multifunctional rotary tool is ideal for various car detailing tasks, maximizing utility. Lightweight and portable, it is easy to handle and transport for on-the-go detailing.

Specifications:

Voltage: 18V

Motor: Brushless motor

Plate Size: 6 Inch

Speed: 2500~7000 rpm

Battery Capacity: 10000mAh Lithium Battery

Function: auto waxing/polishing/quick finishing

Product 6:

ONEVAN Cordless Car Inflator Pump

The ONEVAN Cordless Car Inflator Pump offers precise monitoring and automatic pressure measurement, with an error margin of less than 0.05 Bar. The intelligent digital display ensures that the pump stops immediately when the tire pressure reaches the predetermined value, preventing overcharging. With an LED light, it is suitable for use in low-light conditions. The wireless speed charging eliminates drag line troubles, making it easy to inflate all four tires without location or distance constraints. The tough and durable inflatable tube is wear-resistant, anti-freezing, non-breaking, explosion-proof, and high-temperature resistant. Compact and

portable, it can be easily stored in the car for immediate use when needed.

Specifications:

Maximum exhaust volume: 995kPa

Air discharge amount: 12 litres/min

Maximum air pressure: 10.3BAR

Sound pressure level: 70 dB(A)

Vibration level: 3.6 m/s<sup>2</sup>

Voltage: 18V

ONEVAN Tools continues to innovate and deliver top-quality cordless power tools designed to meet the demanding needs of professionals and DIY enthusiasts alike. With a focus on performance, convenience, and reliability, these tools are essential for any automotive maintenance and repair project.
