

ancora Software, Inc. Welcomes 31 New Customers to Its AP Automation Platform in June

ancora continues its incredible growth, helping AP departments globally reduce costs with its AI and Machine Learning driven IDP platform for AP Automation.

SAN DIEGO, CA, UNITED STATES, July 26, 2024 /EINPresswire.com/ -- ancora Software, Inc., a global leader in Intelligent Document Processing leveraging Artificial Intelligence and Machine Learning, is thrilled to announce the addition of 31 new customers in the month of June. This significant growth underscores ancora's commitment to delivering cutting-edge technology and exceptional service to businesses worldwide.

Intelligent Document Processing leveraging AI with Unassisted and Assisted Machine Learning with a focus on Intelligent Document Classification and Advanced Data Capture

The new customers span various industries, including finance, healthcare, construction, manufacturing, and retail, integrating across multiple ERP and spend management solutions, further validating the versatility and effectiveness of ancora's solutions. By automating the accounts payable document processing workflow, ancora helps organizations improve efficiency, reduce costs, and ensure data accuracy.

“

“This growth is a testament to our strategic partners and our team’s dedication to innovation and customer satisfaction.”

”

Nick Bova, VP of Sales & Marketing at ancora
