Superzoo provides an excellent opportunity to connect with our retail partners and pet care professionals while demonstrating how our PlaqueOff[®] products can significantly improve pet dental health"

Martin Shimko, Chief Executive Officer of Swedencare

Swedencare's PlaqueOff[®] products are renowned for their effectiveness in promoting oral hygiene in pets. PlaqueOff[®] Powder, a natural and easy-to-use supplement, works systemically to reduce plaque and tartar buildup, ensuring fresher breath and healthier gums. The Dental Bones and Dental Bites, infused with PlaqueOff[®] Powder, provide additional options for pet owners to maintain their pets' dental health through enjoyable, chewable treats.

"We are excited to participate in Superzoo 2024 and showcase our innovative dental care solutions," said Martin Shimko of Swedencare USA. "Superzoo always provides an excellent opportunity for us to connect with

our retail partners and pet care professionals while demonstrating how our PlaqueOff[®] products can significantly improve pet dental health. We look forward to engaging with attendees and sharing our commitment to quality and innovation."

Swedencare's participation in Superzoo underscores its dedication to quality and innovation in

the pet care industry. The company's PlaqueOff® products are formulated with natural ingredients and are backed by scientific research, making them a trusted choice for pet owners and veterinarians alike.
