environments", said Ed Williams, the CEO of Six Star Clean. "We understand the importance of a clean space for health and productivity, and our team is dedicated to delivering services that meet these needs effectively and efficiently." The technology is second to none, offering the ability to book cleanings with ease—by text, online, or a quick call. It fits seamlessly into any schedule, with automated reminders sent to the preferred phone or email, as requested.

Six Star Clean offers a range of services tailored to meet the diverse needs of its clients:

- Residential Cleaning - From apartments to large family homes, Six Star Clean provides detailed cleaning that covers every corner of the living space.
- Commercial Cleaning - Specialized services for commercial properties ensure that businesses can welcome their clients and employees into a clean and inviting environment.
- Specialized Cleaning Projects - For clients moving homes or offices, Six Star Clean's move-in/move-out cleaning options facilitate a smooth transition into new spaces.

Each service guarantees the same level of excellence and attention to detail, ensuring client satisfaction every time. This commitment is backed by a transparent pricing model and a 100% satisfaction guarantee. Upon checking out of the home, a scorecard is sent directly to the client from our automated software. Clients have immediate responses to any questions, concerns, and - most often - praise for the Six Star Clean dream team.
