

Massachusetts Mesothelioma Victims Center Urges the Family of a School-Hospital Maintenance Worker with Mesothelioma in Massachusetts to Call Attorney Joe Belluck of Belluck & Fox-Expect a Top Compensation Result

BOSTON, MASSACHUSETTS, USA, July 31, 2024 /EINPresswire.com/ -- The Massachusetts Mesothelioma Victims Center is urging the family of a former school-hospital maintenance worker who has just been diagnosed with mesothelioma anywhere in Massachusetts to please call attorney Joe Belluck of Belluck & Fox at 866-714-6466. Joe Belluck is one of the nation's most skilled mesothelioma attorneys and the law firm of Belluck & Fox has an office in Boston. Attorney Joe Belluck and his colleagues at Belluck & Fox have been assisting people with mesothelioma for decades.

The group says, "A school or hospital maintenance worker could have had very routine exposure to asbestos in the 1960s, 1970s or early 1980s, especially if the school or hospital had boilers, asbestos laden ceiling tiles, insulated pipes, or machinery/equipment to transfer heat. Maintaining a building like this would have involved regular exposure to asbestos. Removing walls or ceilings in a hospital or school would have also involved asbestos exposure because these would have contained asbestos as part of the insulation.

"If you worked at a school or hospital as a maintenance worker-repair person anywhere in

Massachusetts and you now have mesothelioma please call attorney Joe Belluck of Belluck & Fox at 866-714-6466 to discuss compensation. Joe Belluck is literally one of the nation's top mesothelioma attorneys."

The Massachusetts Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Massachusetts to please call them at 866-714-6466 about compensation. A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.

The Massachusetts Mesothelioma Victims Center is a passionate advocate for people with mesothelioma or asbestos exposure lung cancer in Boston, Worcester, Springfield, Worcester, Lowell, Cambridge, New Bedford or anywhere else in Massachusetts.
