[Group, Inc.](#) (EMMA International), a global leader in FDA compliance consulting, has announced the creation of a new subsidiary, [EMMA International CLIC](#). EMMA International CLIC focuses on providing tailored solutions for Quality Management Systems (QMS). The subsidiary employs the CLIC™ methodology, which stands for Compliant, Lean, Integrated, and Customizable. This approach is designed to be sustainable, scalable, and cost-efficient, helping organizations develop and maintain robust QMSs with minimal resources.

" The creation of EMMA International CLIC was driven by listening to our customers and understanding their pain points and needs for a more streamlined solution. Additionally, many clients expressed the need for a referral source to help their vendors maintain compliance. By hearing and understanding these needs, EMMA International's team of innovators developed EMMA International CLIC, a solution designed to make compliance as simple as possible.," said Kira Jabri, CCO of EMMA International CLIC.

EMMA International CLIC will be led by Carmine Jabri as Chief Executive Officer, Kira Jabri as Chief Commercial Officer, and Madison Green as Director of Strategic Innovation. This [leadership team](#) will drive the subsidiary's focus on providing specialized, sustainable, and scalable solutions for Quality Management Systems (QMS) across various industries.
