

Dr. Rajiv Agarwal to start seeing patients at Modern Heart and Vascular's New Texas Medical Center Location

Modern Heart and Vascular recently opened a new office in the Texas Medical Center (Houston, TX).

HOUSTON, TEXAS, UNITED STATES OF AMERICA, July 30, 2024

/EINPresswire.com/ -- [Modern Heart and Vascular](#) is excited to announce the opening of its new office in the prestigious [Texas Medical Center](#) in Houston. [Dr. Rajiv Agarwal](#), a board-certified cardiologist, will begin seeing patients at this state-of-the-art facility, offering advanced cardiovascular care in a convenient location.

Dr. Agarwal has extensive experience diagnosing and treating a wide range of heart conditions. He is committed to providing personalized care and utilizing the latest medical technology and research to ensure optimal patient outcomes.

"We are thrilled to expand our services to the Texas Medical Center," said Dr. Agarwal. "Our goal is to make high-quality cardiovascular care accessible to more patients in the Houston area."

Dr. Rajiv Agarwal, Cardiologist at Modern Heart and Vascular Institute

Modern Heart and Vascular Institute

The new office will offer comprehensive cardiovascular services, including preventive care, diagnostic testing, and innovative treatment options tailored to meet the unique needs of each

patient.

Modern Heart and Vascular remains dedicated to improving patient education and empowering individuals to take control of their heart health. The team is passionate about delivering compassionate care in a comfortable and welcoming environment.
