US Tamils are backing Kamala Harris for president, admiring her vision and experience. They also like Biden's economic approach and foreign policy strategies.

NEW YORK, NY, UNITED STATES, July 30, 2024 /EINPresswire.com/ -- US Tamils are now backing Vice President Kamala Harris for the presidency, supporting Joe Biden's policies on the economy, domestic issues, foreign affairs, and social matters. Harris is recognized for her energy, experience, and broad vision, making her appealing to many Americans.

To support Harris in the upcoming election, US Tamils have launched a website named "TamilsforHarris.com." This effort connects their advocacy to the historical and ongoing struggles of Tamils in Sri Lanka. They draw parallels with other communities that achieved peace with the
