At Mountain View, the Partial Hospitalization Program (PHP) leverages an abstinence-based approach to recovery. Instead of relying on medication-assisted treatment (MAT), this [addiction treatment program](#) favors a non-pharmaceutical method that focuses on healthy, holistic tools to exact lifelong sobriety.

Under the guidance and care of professionals with personal recovery experience and qualifications in addiction treatment, clients can benefit from unique qualities, such as:

- Peaceful environments
- Outdoor activities
- 12-step approaches
- Individual and group therapies
- Mind-body connections
- Comfortable housing at the Fitzwilliam Inn
- Amenities that promote well-being
- Out-of-network insurance, with food and housing included
