The "Speaking with Impact" Bootcamp is tailored to help top-level executives enhance their communication skills, ensuring they can engage, inspire, and motivate their audiences effectively. The programme is limited to 10 participants, allowing for personalised attention and a high-quality learning experience.

This 2-Day programme is on offer to a limited number of participants and run by experts in the field of public speaking, pitching, and audio-visual technology.

The aim is to recreate environments that will immerse you into a real set-up for you to shape up, refine and master the craft of public speaking, rehearse the or pitch presentations in a supportive setting, receive detailed feedback, and learn how to make impactful adjustments. We will record your delivery and review the content with the experts, so that you may identify the missing link between good to great presentations.

This bootcamp, conducted by renowned TedX speaker Nathan Farrugia and AV conferencing expert Manuel Cianter, will empower CEOs and C-Suite members to lead with greater presence,

communicate more effectively, and leave lasting impressions on their audiences. Participants will transform their presentation skills from good to great, becoming more confident and effective speakers.

Spaces are limited to ensure an intimate and impactful experience. CEOs and C-Suite executives are encouraged to secure their spots early.
