

Ray Mond is considering Casting Paul Dano for a role in "The Blind Archer," based on the bestselling book

NASHVILLE, TENNESSEE, USA, July 29, 2024 /EINPresswire.com/ -- Producer and writer Ray Mond is exploring the possibility of casting Paul Dano (The Batman) in a starring role in the upcoming film *The Blind Archer*, based on the bestselling book of the same name. *The Blind Archer* is the first of a Dark Comedy Trilogy. If you don't choose, THE UNIVERSE will choose for you.

This potential collaboration would reunite Paul Dano and Ray Mond, who previously worked together on *The Girl Next Door* (2004). "*The Blind Archer*" is a dark comedy from Minds of Ray Mond that delves into life's choices and their consequences. It involves a transformative journey with elements of redemption and dark humor, and the film promises a unique narrative.

The story follows Grant Davis, whose father is Dan "The Bullseye" Davis, a six-time world archery champion who accidentally shoots his son's eyes out and runs away in shame, only to return as a woman to help her son win the prize money to pay for his eye replacement surgery. With the help of his whiskey-drinking, cocaine-snorting seeing-eye Dog, the son enters the archery competition as *The Blind Archer*.
