Serving the Southeast Georgia community for 25 years, Coastal Allergy & Asthma was founded by Brad Goodman, M.D. and Bruce Finkel, M.D. in 1999. The growing practice now has locations in Savannah, Statesboro, and Brunswick.

CAA offers the most advanced diagnostic services and

treatment options in Southeast Georgia for individuals suffering from allergic conditions, asthma, and immune disorders. CAA provides personalized care plans designed to address symptoms while also enhancing the overall health and quality of life of their patients. The practice's standards, along with the focus on innovative research, align perfectly with SENTA's mission of providing the highest level of specialty care.

"We are thrilled to be aligning with SENTA Partners and joining a network of providers that share our vision for patient care. Their support, along with the additional resources, will allow us to further our goal of meeting the needs of the people in the Coastal Empire region and bringing the best care forward to our patients," said Bruce Finkel, M.D., CAA Founder.

"Partnering with Drs. Goodman and Finkel and the Coastal Allergy & Asthma team allows us to continue delivering transformative health services to patients across Georgia," said Adam Low, CEO of SENTA Partners. "Adding the experience of five exceptional Allergists, along with their team, to our organization aligns with our mission to deliver high-quality, patient-focused care to people across Georgia and beyond."

With the addition of Coastal Allergy & Asthma, SENTA now boasts nearly 1,100 employees, including 196 providers across 77 locations in seven states.
