Discover Unique Artistry

We're thrilled to showcase the work of Linda and Charles Perkins, a dynamic husband-and-wife duo who have been enchanting audiences with their art since 1999. This self-taught pair finds inspiration in the beauty of everyday life, creating pieces that honor nature and invite personal reflection. Linda's heartfelt paintings of hearts and trees and Charles's intricate wire sculptures create a captivating fusion of contemporary mixed media and expressionism. Linda's art often incorporates vintage sheet music, blending the soothing and invigorating power of music with visual storytelling. "The glimpse of music notes beneath the paintings touches the soul with meaning," says Linda.
