

# The Dome by Fatma Altinbas Wins Gold in A' Jewelry Awards

*Fatma Altinbas Receives Top Honor for Innovative Jewelry Design Inspired by Istanbul's Architectural Heritage*

COMO, CO, ITALY, July 31, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- The A' Design Award, a highly respected recognition in the field of [jewelry](#) design, has announced [Fatma Altinbas](#) as a Gold winner for her exceptional work, The Dome ring. This prestigious accolade highlights the significance of Altinbas's innovative design within the competitive jewelry industry, positioning her as a trailblazer in the field.

The Dome ring's unique design draws inspiration from the rich architectural heritage of Istanbul, particularly the iconic Hagia Sophia. By reinterpreting the building's famous domes in a contemporary jewelry piece, Altinbas has created a wearable work of art that resonates with both history enthusiasts and fashion-forward individuals. This seamless blend of past and present aligns with current trends in the industry, where consumers seek meaningful and story-driven pieces.

Crafted from 18-carat rose gold and adorned with 0.22 carats of premium quality diamonds, The Dome ring showcases Altinbas's meticulous attention to detail and commitment to craftsmanship. The ring's elaborate ornamentation, featuring diamonds on both the interior and exterior, creates a striking visual impact while maintaining a comfortable and functional design. These unique attributes set The Dome apart in the market, offering wearers a truly exceptional jewelry experience.

dedication, and is expected to inspire her future creations. As a third-generation member of a distinguished jeweler family from Istanbul, Altinbas has a deep-rooted passion for precious stones and the artistry involved in jewelry making. This award further motivates her and the Mevaris team to continue pushing boundaries and exploring innovative design concepts that celebrate Istanbul's cultural wealth.

The Dome ring was designed by Fatma Altinbas, who also conducted extensive research on the history of jewelry manufacturing in Istanbul's Grand Bazaar as part of her PhD studies. This research, published in her book "Stones of The Grand Bazaar," provided the foundation for the ring's conceptualization and development.
