advisory firm in the global gaming industry, is thrilled to announce a sponsorship partnership with Hoppa! Card, a pioneer in crypto payments and banking solutions. This collaboration is set to revolutionize the [payment landscape for the gambling industry with a strong focus on crypto technology](#), leveraging SCCG's extensive ecosystem of over 120+ client partners and its global presence across all major regions.

Through this partnership, SCCG Management will support Hoppa! Card in delivering their innovative crypto payment

and banking solutions to a wider audience within the gaming industry. The synergy between SCCG's expansive network of client partners and Hoppa! Card's cutting-edge financial technology aims to enhance the efficiency and security of managing complex payment needs in the gambling sector.

Hoppa! Card's flagship products, including the Exclusive Global Soft KYC High Limit Crypto Offramp VISA Card and the Unique Payment Gateway, are designed to meet the most challenging payment requirements. The VISA Card offers high limits and the highest possible privacy standards with anonymous cards, ensuring global accessibility with both virtual and physical card options. The Payment Gateway provides seamless processing for various crypto and fiat transactions, eliminating chargebacks and non-acceptance of cards, while catering to all gaming licenses and jurisdictions.

Stephen Crystal, Founder and CEO of SCCG Management, expressed his enthusiasm for the

partnership: "Partnering with Hoppa Card allows us to provide our clients, as well as our global network of operators and platform providers, with crypto-focused payment solutions that are crucial in today's fast-evolving gaming industry. Their innovative products align perfectly with our mission to drive strategic growth and maximize revenue for our partners."

Igor Lavrih, CEO of Hoppa Card, shared his excitement: "We are excited to kick off the partnership with SCCG, merging our payments expertise with their deep market insights to explore new opportunities and drive innovation. We look forward to the synergies our partnership with SCCG will bring forward, delivering unique payment solutions in the gaming industry to an array of growing and established businesses."
