

# Shanghai Qian Mo Fu Restaurant by Hong Liu Wins Gold in A' Interior Design Awards

*Elegant Oriental Design Inspired by Natural Landscapes Earns Top Honor in Prestigious International Competition*

COMO, CO, ITALY, August 1, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Hong Liu's](#) "Shanghai Qian Mo Fu Restaurant" as a Gold winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the restaurant's exceptional design, which masterfully integrates the tranquility of natural landscapes with the urban environment, setting a new standard for interior design excellence.

The Gold A' Interior Space, Retail and Exhibition Design Award holds significant relevance for the industry and its stakeholders. By recognizing innovative designs that prioritize functionality, aesthetics, and user experience, the award encourages the development of spaces that not only meet but exceed the expectations of clients and patrons. Shanghai Qian Mo Fu Restaurant's triumph serves as an inspiration for interior designers worldwide, showcasing the potential for harmonious design that enhances the built environment.

Shanghai Qian Mo Fu Restaurant's award-winning design is a testament to Hong Liu's creative vision and expertise. The interior seamlessly blends elements of nature, such as mountains, forests, and valleys, with the urban concrete construction. Rammed earth walls, paired with black rock, manifest a commitment to reviving tradition and gravitating towards naturalism. The juxtaposition of water-patterned metallic materials and rammed earth creates a contemplative dialogue between the old and new, with rippled metal and mirrors rendering an airy and dreamy atmosphere.

Shanghai Qian Mo Fu Restaurant

This prestigious recognition from the A' Design Award is expected to have far-reaching implications for Hong Liu and the Y. J Design Studio. The accolade serves as a validation of their design philosophy and approach, which prioritizes the integration of natural elements and traditional materials with contemporary design. This success is likely to inspire future projects that further push the boundaries of interior design, setting new standards for the industry as a whole.
