

Match Systems and AY Consulting Release Report on Popular Telegram Clickers

New industry analysis highlights explosive growth in Telegram clicker games, detailing user engagement, market trends, and cybersecurity considerations.

DUBAI, UNITED ARAB EMIRATES, August 2, 2024 /EINPresswire.com/ -- Hamster Combat literally “exploded” the market of Telegram clickers and spawned a whole new industry of similar game applications in Telegram. Match Systems together with AYConsulting analyzed the market of Telegram clickers, possible associated risks, and the prospects of this industry as a whole, and released a [full report on it](#).

The total number of players on Telegram clickers, at the time of writing the report, approached to 120 mln users, and this number only grows. The report issued by Match Systems and AYConsulting contains lots of the information regarding the user’s in-app behavior, market statistics and describes all the possible economic models of such Telegram clickers.

The report covers all the latest trends and will be very helpful for those who is planning to launch a new clicker before it’s not too late, as well as for those who is already in this market. It also contains deep analysis of the cyber risks in this field.
