

Misha Ezratti's GL Homes and The Lord's Place Collaborate to Combat Homelessness in Palm Beach County

PALM BEACH, FLORIDA, UNITED STATES, August 1, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- In an initiative to address homelessness, GL Homes has partnered with The Lord's Place to launch the Meal Mobile, a transformative program catering to the communities in need in Belle Glade and Riviera Beach, Florida. This initiative marks a significant step forward in providing essential resources and support to those experiencing homelessness in the region.

The Meal Mobile operates as more than just a mobile kitchen. It is a comprehensive resource hub with a full-service office where dedicated case managers from The Lord's Place collaborate with individuals to provide vital social services. This innovative approach aims to provide nourishing meals and offer a pathway out of homelessness by connecting individuals with the support they need to rebuild their lives.

GL Homes, a prominent developer committed to community welfare under Misha Ezratti's leadership, has underwritten the entire cost of the Meal Mobile initiative, covering food supplies, operational expenses, and program development. This commitment underscores GL Homes' dedication to making a tangible difference in Palm Beach County beyond its role in the housing sector.

Misha Ezratti, CEO of GL Homes, expressed his enthusiasm for the partnership: "At GL Homes, we believe in the power of community service and its profound impact on people's lives. The Meal Mobile initiative with The Lord's Place is a testament to our ongoing commitment to support our needy neighbors and create sustainable solutions to combat homelessness."

The Meal Mobile operates regularly, providing hearty meals and fresh fruit to Belle Glade three

times per month and to Riviera Beach once a month. GL Homes volunteers actively participate in these outreach efforts in Riviera Beach, further strengthening the community bond and demonstrating a hands-on approach to corporate social responsibility.

Through initiatives like Meal Mobile, The Lord's Place continues to uphold its mission of breaking the cycle of homelessness and empowering vulnerable individuals in Palm Beach County. This collaborative effort between GL Homes and The Lord's Place serves as a model for effective community engagement and compassionate outreach.
