Through the partnership with MegaMix Expo, an events company, LifeWorks plans to offer introductory workshops at upcoming expos in Southern California.

“We’re excited to bring our transformational trainings to more people through MegaMix’s popular events,” said Diana Miranda “Our goal is to provide tools for personal growth in an inspirational, supportive environment.”

LifeWorks Trainings offer a transformative approach to personal development, designed to help participants align

their current mindset and behaviors with their highest aspirations and life vision These programs encourage individuals to break free from past limitations and instead focus on generating new possibilities through a commitment to their future goals. By adopting a “life is

now” perspective, participants are empowered to create meaningful change in their lives, focusing on what truly matters to them. The trainings provide a supportive and inspirational environment where individuals can explore their potential, challenge existing thought patterns, and develop new strategies for achieving personal and professional fulfillment.
