Dating Wingwoman Coach Emily Taradash

"Dating should be fun, not another job. If it's starting to feel like a heavy lift, maybe it's time to outsource that work to a wingwoman," says Emily Taradash. "I delight in helping frustrated singles see dating with fresh eyes, so they can have fun, feel confident in their own skin, and ultimately, fall in love."

“

Even if you've been divorced or epically ghosted in the past, it's not the end of the road for your love life if you don't want it to be."

Emily Taradash

Emily Taradash's Wingwoman Coaching offers comprehensive support along the journey, including personalized dating strategies, real-time support through Voxer and compassionate guidance for those struggling with the many challenges of dating apps. Her unique

approach is rooted in her own experience of being ghosted by a sushi chef and subsequently meeting her husband "in the wild" after a period of healing and self-discovery.

With a background in theatre and stand-up comedy, Emily brings a blend of mirth and good humor to her coaching everyday. She believes that the path to true love begins with self-awareness and identifying the traits and values desired in a partner before meeting in real life.

Her coaching helps clients delete their dating apps and focus on building authentic connections.

"Romance isn't dead, but we have to know and like ourselves enough to show up authentically," says Emily. "Even if you've been divorced or epically ghosted in the past, it's not the end of the road for your love life if you don't want it to be."

Emily's Wingwoman Coaching is designed to be a supportive and judgment-free space for singles. Her VIPs enjoy direct SMS access to her during and after dates for a thorough debrief on what's next.
