

Announcing the Inaugural Edition of the Sceats Coal Report

We are thrilled to announce the publication of the first edition of the Sceats Coal Report.

LONDON, UNITED KINGDOM, August 2,

2024 /EINPresswire.com/ -- The Sceats

Coal Report provides professionally

calculated Asia Pacific coal

benchmarks, meticulously curated to

exclude coal trade data from any

platforms where beneficial owners hold a specific directional interest in coal prices. This ensures unbiased, accurate, and reliable market insights.

This report is delivered free of charge and free of any journalistic interpretation, allowing for a pure, data-driven perspective.

The creation of this report has been a labour of dedication, taking years to come to fruition. We extend our deepest gratitude to our colleagues for their unwavering support and to our investors who believe not only in this project but in the principles of conducting business with integrity, honesty, and fairness.

For more information on carry SCR coal price data (daily prices back to 2017) and to access the report, visit:
