*Take a break with turtle action, turtle antics, & a creative community.*

LOS ANGELES, CA, UNITED STATES, August 8, 2024 /EINPresswire.com/ -- Turtle Town News is a 22-hour-a-day, 7-day-a-week immersive turtle meditation [YouTube](#) livestream. Hosts Flashy and Tortuga guide viewers through their beautifully weird world of turtles, where music becomes a portal to serenity. Binaural beats, ethereal sound baths, and the gentle symphony of nature create an ambient cocoon where viewers can just float into a meditative state.

When asked about the goals of Turtle Town News, head Turtle Manager Brian says, "We blend turtle wisdom, soothing tunes, art, music, and a touch of whimsy into a symphony of creativity within the beautifully weird world of turtles. Our goal is to be a platform for creatives to earn money via sales directly to viewers by 2025. For now, we're a great place to meditate, rest, or fall asleep with Turtles while we showcase artists and music we enjoy."
