COMO, CO, ITALY, August 3, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced that the "World Laureates Forum" by [Yong Wen and Chengfeng He](#) has been awarded the Golden A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional innovation and excellence demonstrated by the winning design within the interior design industry.

The "World Laureates Forum" permanent site design showcases the immense potential of innovative interior spaces to enhance functionality, aesthetics, and user experience. This recognition underscores the relevance of forward-thinking design solutions in meeting the evolving needs of modern conference centers and exhibition spaces, setting a new standard for the industry.

The award-winning design of the "World Laureates Forum" permanent site seamlessly integrates conference and exhibition halls, a digital library, hotel banquet facilities, and commercial performance spaces. Drawing inspiration from the interplay of sunlight and clouds, the design team skillfully deconstructed and recombined marine and sky elements using a sleek and cohesive modern minimalist language. The result is a distinctive architectural plan that reflects the essence of the Lingang New Area while incorporating green building concepts from planning to operation.
