

Shush Inc. and Global Telco Consult GmbH (GTC) Forge Strategic Partnership to Drive Innovation in Telecommunications

Collaboration Set to Enhance Next-Generation Telecom Solutions and Global Connectivity

DALLAS, TEXAS, UNITED STATES, August 5, 2024 /EINPresswire.com/ -- Shush Inc., a pioneering leader in [Network Authentication](#) solutions, is thrilled to announce a strategic partnership with Global Telco Consult GmbH (GTC), a distinguished independent [telecommunication](#) consultancy renowned for its expertise across Messaging, Identity, IoT, Recruitment, and M&A services.

“

We are thrilled to partner with GTC," said Eddie DeCurtis, CEO of Shush Inc. "Together, we'll drive technological advancements and operational excellence in the telecommunications industry."

Eddie DeCurtis, Co-Founder & CEO of Shush Inc.

GTC stands out for its unparalleled track record in helping enterprises, carriers, and service providers navigate the complexities of the telecommunications landscape. From optimizing SMS and next-generation IP messaging to deploy advanced Identity and Fraud Detection tools, GTC offers comprehensive solutions tailored to the evolving

needs of its clients.

Through this strategic partnership, Shush Inc. and GTC will leverage their respective strengths to drive innovation and deliver cutting-edge solutions to the telecommunications industry. By combining Shush Inc.'s expertise in Network Authentication with GTC's extensive experience in consulting and managed services, the partnership aims to maximize current and emerging technologies, drive revenue growth, and future-proof communication strategies for clients.

"We are thrilled to partner with Global Telco Consult GmbH," said Eddie DeCurtis, Co-Founder & CEO of Shush Inc. "With GTC's deep expertise and customized consulting services, coupled with Shush Inc.'s innovative Network Authentication solutions, we are well-positioned to drive technological advancements and operational excellence in the telecommunications industry."

GTC's neutral stance as an independent entity makes it a valuable partner, enabling

collaboration without competition and fostering an environment conducive to driving innovation and growth. By providing fully customized consulting and managed services, GTC empowers clients to navigate the rapidly evolving telecommunications landscape with confidence.

"We are thrilled about our partnership with Shush Inc.," said Guillaume Bourcy, Chief Identity Officer at Global Telco Consult GmbH. "This collaboration enables us to deliver exceptional value in the [mobile identity](#) space, driving innovation and shaping the future of digital identity solutions for telecom operators, vendors, and enterprises alike."
