Aaron Di Blasi, Publisher, Al-Weekly

Aaron Di Blasi, Publisher for Al-Weekly, shares, "Surpassing 25,000 weekly readers is a significant milestone for us, and reaffirms our commitment to delivering high quality, human-curated Al news and trends each week. We are profoundly grateful for the support of the readers, sponsors, and advertisers that have made this milestone possible."

About Al-Weekly

Al-Weekly is the world's leading weekly newsletter for staying up to date on the latest news and trends in artificial

intelligence. The newsletter aggregates (using AI) and curates (using human beings) a wide range of AI-related content, including productivity tips, guides, walkthroughs, and explainer videos, in addition to weekly news updates. Every article is meticulously selected by human editors with decades of experience in technology and journalism to ensure its relevance, timeliness, and quality, maintaining some of the highest editorial standards in the AI community today.

Milestone Achievement

"Serving over 25,000 readers is a testament to the invaluable feedback that we receive from our dedicated readers, sponsors, and hard-working editorial team. This milestone reflects our ongoing dedication to integrate, iterate and pivot on as much reader feedback as possible. The very best way to keep the Al community informed and engaged with the latest developments in the field each week," added Aaron Di Blasi.
