

Benjakitti by Arsomsilp and Turenscape Wins Gold in A' Landscape Design Awards

*Innovative Bangkok Urban Park
Recognized for Sustainable Design and
Ecological Impact*

COMO, CO, ITALY, August 5, 2024
/EINPresswire.com/ -- The A' [Design Award](#), a highly respected and well-recognized award in the field of landscape design, has announced [Benjakitti](#) by [Arsomsilp and Turenscape](#) as the Gold winner in the Landscape Planning and Garden Design category. This prestigious recognition highlights the significance of Benjakitti's innovative and sustainable design within the landscape design industry.

Benjakitti's award-winning design demonstrates the potential for nature-based approaches to address critical urban challenges such as flood

management, water purification, and biodiversity conservation. By showcasing these solutions in an immersive and educational manner, the park serves as a model for sustainable landscape design, inspiring both industry professionals and the general public.

Located on the site of a former tobacco factory in central Bangkok, Benjakitti Park incorporates wetland and forest ecosystems that deliver a range of ecological services. The park's design features a network of boardwalks and skywalks that immerse visitors in nature, encouraging reflection on the harmonious coexistence of humans and the environment. Innovative elements such as the use of native aquatic plants for water purification and the repurposing of site materials demonstrate the park's commitment to sustainability.

The Gold A' Design Award recognition validates Arsomsilp and Turenscape's design approach and serves as motivation for the team to continue pushing the boundaries of sustainable

Benjakitti

landscape architecture. The award is expected to elevate the profile of Benjakitti Park, positioning it as a must-visit destination and a case study for nature-based urban design.

Benjakitti was designed by a multidisciplinary team including the Tobacco Authority of Thailand, Royal Thai Army (Ministry of Defence), and Bangkok Metropolitan Administration as client collaborators; Turenscape as design consultant; Landscape Studio by Arsomsilp as landscape architect; Arsomsilp Community and Environmental Architect as architect; Kasem Design and Consultant as structure engineer; Optimology as mechanical and electrical engineer; Stonehenge as construction manager; Royal Thai Army 1st Development Division as contractor; and Plan Motif as signage designer.
