She was recently bestowed with the prestigious title of Empowered Woman of the Year for 2024 by the International Association of Top Professionals (IAOTP). This recognition is a testament to her outstanding leadership, unwavering dedication, and unparalleled commitment to impacting lives and catalyzing positive change.

Inclusion with the International Association of Top Professionals is an honor in itself; only a few women are chosen for this distinction based on their professional

accomplishments, academic achievements, leadership abilities, longevity in the field, other affiliations, and contributions to their communities. These women empower others with innovation and compassion to reach their goals while creating change for future generations. Betty Mutwiri will be honored for this distinction at IAOTP's 2024 Annual Awards Gala.
