

Beverly Hills Cosmetic Dentist Spotlighted in Three Publications

Kevin Sands, DDS – a cosmetic dentist in Beverly Hills – recently provided expert insight into oral health in three separate publications.

BEVERLY HILLS, CA, USA, August 6, 2024

/EINPresswire.com/ -- Kevin Sands, DDS is a [Beverly Hills cosmetic dentist](#) with extensive knowledge in not only aesthetic treatments, but comprehensive oral health, as well. For this reason, Dr. Sands is frequently interviewed on a variety of dental topics, from [Zoom!® teeth whitening](#) and [porcelain veneers](#) to nutrition and overall wellness. Three reputable publications have recently featured Dr. Sands in their pieces.

Dr. Sands appears in this SPY article (1), wherein he and other experts discuss effective natural teeth whitening remedies. Meanwhile, in a piece by Delish (2), Dr. Sands provides insight into the foods and beverages that can potentially pose the most harm to a patient's dental health. Finally, Dr. Sands was interviewed by Poosh (3) for an article called "6 Foods That Are Good for Your Teeth;" here, he shares the common oral health benefits of apples, leafy greens, certain nuts, and more.

Dr. Sands was honored to have contributed to these articles. Furthermore, he urges any patient with questions about their dental wellness to seek the care of a seasoned oral healthcare professional.
