

Webinar Previewing Dr. Andrew Newberg's New Book, "Sex, God and The Brain," to be Held on August 6th at 1:00 PM

Dr. Newberg explores the connection between religious, spiritual experiences, and our sexual being through Orgasmic Meditation and finds them to be identical.

PHILADELPHIA, PA, UNITED STATES, August 5, 2024 /EINPresswire.com/ -- Dr. Andrew Newberg, renowned neuroscientist and author, invites you to attend a webinar previewing his groundbreaking new book, "[Sex, God and The Brain](#)." The webinar will take place on August 6th at 1:00 PM ET/10am PT.

In "Sex, God, and the Brain," Dr. Newberg explores the profound connection between our religious and spiritual experiences and our sexual being. Through his [extensive research](#), including groundbreaking brain scan studies conducted during Orgasmic Meditation research, Dr. Newberg reveals that the underlying biological mechanisms of religious, spiritual, and sexual experiences are identical.

This deep investigation delves into the history of mating rituals and how they have evolved into religious practices throughout time.

To gain valuable insights from Dr. Newberg's research, register for the webinar by [following this link](#): https://us06web.zoom.us/meeting/register/tZYlduuprTgsG90nZ3siUolwAtl99wTL_kx9.

Once registered, you will receive a confirmation email with further details on how to join the meeting.
