NEW YORK, NY, UNITED STATES, August 5, 2024 /EINPresswire.com/ -- Imagine AI Live, the premier platform for cutting-edge AI insights and strategies, today announced the exclusive availability of Elatia Abate's groundbreaking keynote address from the recent Imagine AI Live IMPACT New York event.

Elatia Abate delivers keynote talk on the future of leadership at Imagine AI Live IMPACT New York

This talk, titled "Business Beyond the Brain: AI, Consciousness, and the Future of Leadership," is now accessible to Imagine AI Live members, offering business leaders worldwide a roadmap for thriving in the age of artificial intelligence.

“

Elatia's presentation is a must-watch for business leaders grappling with AI integration.”

*Steve Metcalf, Co-Founder,  
Imagine AI Live*

Elatia Abate, a renowned futurist and entrepreneur with nearly a decade of research into the future of work, delivers a compelling vision for how leaders can move beyond merely adapting to AI to actively co-creating our technological future. Her talk introduces revolutionary concepts such as:

- The Three Cs of Future-Ready Leadership: Change, Coherence, and Co-creation
- The REACH framework for identifying AI opportunities across organizations
- The "Think, Do, Be" strategy for holistic AI integration
- Practical techniques for fostering an "AI as collaborator" mindset

Steve Metcalf, Founder and CEO of Imagine AI Live, shared his thoughts on the significance of

Abate's talk: "Elatia's presentation is a game-changer for business leaders grappling with AI integration. Her 'Think, Do, Be' strategy offers a profound yet practical approach to leadership in this new era. We're not just talking about adapting to AI anymore; we're talking about co-evolving with it."

Metcalf added, "What sets Elatia's insights apart is her emphasis on the human element in our AI future. She's not just focused on the technology, but on how we as leaders and individuals can grow alongside AI to create something truly revolutionary."

The release of Abate's talk comes at a crucial time when businesses across all sectors are grappling with the implications of advanced AI technologies. Her presentation offers not just theoretical frameworks but actionable strategies that leaders can implement immediately to drive innovation and growth.

"At Imagine AI Live, we believe that the kind of transformative insights Elatia shares are essential for any leader looking to thrive in the AI age," Metcalf stated. "That's why we're making her talk, along with our entire library of premium content, available through a 30-day free trial. We want to empower as many leaders as possible to become architects of our AI future."
