

# Spectrum Camera Solutions with EnBra Group to Showcase Explosion Proof Camera Technology at Navalshore Conference 2024

*Spectrum Camera Solutions, a leading manufacturer of explosion-proof cameras, to exhibit at the Navalshore Conference with EnBra Group in Brazil*

HOUSTON, TX, UNITED STATES, August 9, 2024 /EINPresswire.com/ -- Spectrum Camera Solutions, a leading manufacturer of explosion-proof cameras, is excited to announce its partnership with [EnBra Group](#) where together, they will be exhibiting at [Navalshore Maritime Industry Fair and Conference 2024](#) at booth M2.. The event will take place from August 20 to August 22, 2024, at the Expo Mag in Rio de Janeiro.

The Navalshore conference is considered the premier business platform in Latin America for discovering innovations and connecting with the South American maritime community. As the largest fair in the shipbuilding industry in the region, Navalshore attracts over 7,000 highly qualified professionals, shipowners, shipyards, manufacturers, and suppliers.

Spectrum Camera Solutions will be showcasing its latest [explosion proof camera](#) technology for offshore drilling, land drilling, marine, downstream & midstream chemical/petrochemical processing, and other hazardous applications. With a portfolio of globally certified Class I Division 1 cameras, Spectrum Camera Solutions is at the forefront of providing vision systems that ensure safety, security, and operational excellence in harsh environments. The company's explosion-proof camera housing is made from durable materials and innovative engineering,

guaranteeing superior performance in challenging conditions. Spectrum's cameras are manufactured in Texas, USA, with models ready for immediate shipment.

Some of the leading manufacturers offered by Spectrum Camera Solutions include

Spectrum – Axis Explosion-Proof Camera

Spectrum – Bosch Explosion-Proof Camera

Spectrum – Avigilon Explosion-Proof Camera

Spectrum – Motorola Explosion-Proof Camera

Spectrum – Panasonic Explosion-Proof Camera

Spectrum – Pelco Explosion-Proof Camera

Explosion Proof Cameras by Spectrum Camera Solutions Fixed Series

Their participation in Navalshore 2024 is an excellent opportunity for attendees to explore these cutting-edge cameras and witness firsthand their exceptional features and capabilities.

“

Navalshore is an essential event for companies and professionals in the maritime industry. We are thrilled to partner with Spectrum to showcase our explosion-proof camera technology here.”

*Alan Gonzaga Friar, Owner of  
EnBra Group*

"Navalshore is an essential event for companies and professionals in the maritime industry.
